

The Adventures of Iceberg and Pete: Book 1 - Making Friends (Adventures of Iceberg & Pete S)

In the first book Iceberg, a fun-loving polar bear, is trapped by evil hunters. Pete, the smartest little penguin in the world who loves to read, comes to his rescue and saves Iceberg. Iceberg and Pete become best friends. Book I is a story that will teach children about trust and friendships.

The trio is made complete in Book II, when Pete and Iceberg find Slammer, a young dinosaur frozen in the ice for a million years. Slammer comes to life, has to find new friends and a warmer place to live. The journey begins. This series teaches elements of biology, geography and sociology.
