

Bridge to Nowhere (Miz Mike)

Best-selling crime author Mike Rice or Miz Mike to her friends is by nature inquisitive. (Or meddling, to her friends!) She also has a heart of compassion that gets her into trouble time and again, and her inability to really hear what God is saying to her doesn't help! So when a beautiful young stranger begs her to investigate the death of her sister, Mike is soon not-too-reluctantly embroiled in a mystery that involves the whole town of Three Prongs. She finds herself rapidly immersed in the illicit subculture in Texas Hill County from dog fights to kidnappings, jealousy and murder and her life is thrown into chaos as she takes in two troubled youngsters, to boot. And that's without the animals thrown in!
