

# Minecraft: Diary of the Adventurous Enderman [An Unofficial Minecraft book] (MineCraft Steve Book 9)

TWO FREE BOOKS INCLUDED! Hello friends! My name is Steve. Some of you may have encountered me in the vastly diverse world of Minecraft. Throughout my years of adventure, I have crossed paths with many friends and a few foes. These diaries that I have collected are the fascinating tales that my friends have entrusted with me so that their legendary stories live on forever. Adventurer and researcher Mutt Jones is on the trail of the elusive Enderman. He can figure out all the facts about them, but can he learn where they came from? Join him on a ten-day journey deep into the life and mind of an Enderman. Why do they hate to be looked at? What happens when they teleport? Why do they have an obsession with moving blocks? Find the answer to these questions and many, many more! I hope you will deeply enjoy this adventurous story of my close friend! -Steve \*\* For a Short Time You will get Two Bonus eBooks Included for FREE\*\* \*Download for FREE with Kindle Unlimited\* -----
