

Iris (Book One) (Starcity Mysteries 1)

Vividly creepy... Martin is a skilful wordsmith (Pen Press). A challenging read for those 8+ years. Iris is the story of a troubled girl from a broken home with a passion for astronomy and a penchant for running away. Gavin Preebot is a sadistic ex-con on a mission to find his way back to a place he cannot forget. When Iris is sent to live with her aunt and uncle in the sleepy town of Ryeford, South England, she begins to experience a series of strange events the neighbourhood cats are disappearing and stars are dying. And when she accidentally stumbles upon an unknown aerial world populated by cats, she soon discovers what has been happening, and that only she can help to save the universe from the machinations of the scheming Preebot and from eternal darkness. This is a page turning adventure on a global scale!
