

## Dreamhaven

Dreamhaven is a middle-grade fantasy by author, Tracy Tandy. In the moonlit streets of Dreamhaven, eleven-year-old Mark Farrallon locks eyes with Nick, the only cat in history ever denied nine lives. Clearly their meeting is no coincidence. But are they each others best hope or a guarantee that enchanted dreams will cease forever? Dreamhaven is the story of friends tested by misadventure, a plot for revenge and the vanishing line between dream and reality.
