

Life of Louis, Prince of Conde, Surnamed the Great (Classic Reprint)

Life of Conde was originally written by the author in the French language, and without any view of publication. A very small number of copies of that work was printed in 842 for a circle of personal friends. Several persons, however, having since expressed a wish for its appearance in our native tongue, the following translation, executed under the superintendence and revision of the author, is now submitted to the public.
