

Medical Care of the Liver Transplant Patient

This completely updated edition of the acclaimed *Medical Care of the Liver Transplant Patient* is the most comprehensive and reliable source of information on the pre- and post-operative care of liver transplant patients. The multi-disciplinary author team offers a concise and practical guide for general practitioners, as well as specialists in hepatology and transplant surgery, and residents and fellows training in this discipline. This new edition covers these latest developments and includes new chapters on: Living Related Donor Transplantation, Recurrence of the Original Liver Disease after Transplantation, Anesthesia for the Liver Transplant Patient, and Cutaneous Problems in Liver Transplant Patients.
