

Middle School Is Worse Than Meatloaf: A Year Told Through Stuff

Ginny has ten items on her big to-do list for seventh grade. None of them, however, include accidentally turning her hair pink. Or getting sent to detention for throwing frogs in class. Or losing the lead role in the ballet recital to her ex-best friend. Or the thousand other things that can go wrong between September and June. But it looks like its shaping up to be that kind of a year! Heres the story of one girls worst school year ever -- told completely through her stuff.
