

So You Have to Write a Poem: A Guide for the Non-Poetic

Following the same plain language, straight forward vein of Ms. McLeans Homework Helpers: Essays and Term Papers, So You Have to Write a Poem gives novices an easy-to-read guide with step-by-step processes and fun examples while giving more advanced poets a technical guide to the rules behind all their favorite poetic forms. This volume includes: * Nine forms of poetry, including chapters on ballads, blank verse, haiku, heroic couplets, limericks, the pantoum, sestinas, sonnets, and the villanelle. * Overviews on poetry basics like meter and rhyme scheme. * Detailed, easy-to-understand instructions and cheat sheets that outline the rules for each form of poetry. * And a section with a detailed explanation of how to analyze a poem. So You Have to Write a Poem is designed to not only help students get through their poetry assignments, but also shows poetic skeptics how to enjoy the act of writing poetry, and gives poetry lovers a chance to learn some classic styles.
