

Stone Goblins: Book 1

Beware - there are goblins living among us! Within these pages lies a glimpse into their secret world. But read quickly, and speak softly, in case the goblins spot you...Saggy and Seepage are stone goblins, but they're not much good at collecting stones. When strange noises are heard in the goblin tunnels, it's up to the dozy pair to investigate. Could the rumours of dragons be true? A riotous, laugh-out-loud funny series for younger readers from the bestselling author of Hugless Douglas, David Melling.
