

The Circle: Book One of The Sidhe

Calum Ranson is sure of three things: his cousin Finley is alive, Calum will find him, and no one knows Calum and his family are Sidhe. No one until Laurel shows up at his mothers bookstore wearing a dark clans mark. When Calum learns the details surrounding the disappearance of Laurels brother, he suspects the evil Hobayeth clan. Calum and Laurel work together in the Realm of Man and the Otherworld to rescue her brother - revealing a connection between Calum and Laurel that may cost Finley his life. The Circle is the first in a series of seven books.
