

The Phoenix and the Carpet

The Phoenix and the Carpet follows the adventures of the same five children: Cyril, Anthea, Robert, Jane and the Lamb. The four children acquired the magic carpet when they found a special fire egg -- it hatched in their nursery fireplace. The phoenix came from the egg, and when he saw their mothers new Persian rug, he showed them that it was a magical thing -- a flying carpet that would take them any time and that place they could wish for. Witty, genuine, full of timeless sympathy and childish sensibility, _The Phoenix and the Carpet_ offers a special ride through wonders for children of all ages. (Jacketless library hardcover.)
