

Navigator Road Map Cumbria

This sheet map, covering the whole of Cumbria, uses a large scale of 1 inch to 1.6 miles. It contains detailed coverage of the regions road network, including country lanes and rural lanes and tracks. Major footpaths, junctions, roundabouts and slip roads are also shown. Additional detail includes thousands of individually marked farms, houses and hamlets. Airports, airports, stations, ferries, houses, marinas and other places of interest are featured. Also included are town plans of Barrow-in-Furness, Carlisle and Kendal. Designed for both professional and leisure users, it is printed on one side to allow hanging as a wall map.
